YABRIN GENERAL TRADING & CONT. Co.

HEALTH, SAFETY & ENVIRONMENT POLICY

Yabrin General Trading and Contracting Company considers HSE as on the main priorities in the company. Directors and Employees believe that no part of its business objectives can be carried out effectively and successfully if not performed safety, therefore; the prevention of accidents and incidents, either related to personnel injury/ property damage and/ or loss of company assets/ pollution generation reduction and preservation of natural resources should be considered as a high priority.

For this purpose, Yabrin General Trading and Contracting Company Committed to:

- Conducting specific and realistic day to day operational measures to protect its personnel and any other related party/ partner.
- promoting, integrating and maintaining HSE Aspects in all company operation. Apply reduce, reuse & recycle methodology during the waste generation in order to prevent adverse environment impacts.
- Yabrin's Top management should guarantee to meet the required standard of Health Safety & Environment performance in compliance with Kuwait Laws/Legal and international requirements, ISO 45001:2018, ISO 14001:2015, ISO 9001:2015 and Client guidelines.
- Yabrin's Top Management should ensure that all the sub-contractors are ready to commit to the company's HSE requirements and procedures in order to support a safe work environment.

The continual improvement and implementation of the HSE Policy, Objective and procedures will be periodically monitored, reviewed, updated & communicated all persons working under our control to ensure that standards are being maintained.

This HSE Policy will be made available to any interested party upon request.

For Yabrin General Trading and Contracting Company. W. L.L

Mr. GEORGE THOMAS
CEO
